important teachings that will help us establish a flourishing Dharma practice. The Foundation of Buddhist Practice begins with the four seals shared by all Buddhist philosophies, and moves on to an explanation of the reliable cognition that allows us to evaluate the veracity of the Buddha's teachings. The book provides many other essential Buddhist teachings, including: the relationship of a spiritual mentor and student, clarifying misunderstandings about this topic and showing how to properly rely on a spiritual mentor in a healthy, appropriate, and beneficial manner; how to structure a meditation session; dying and rebirth, unpacking the often difficult-to-understand topic of multiple lives and explaining how to prepare for death and aid someone who is dying; a fruitful explanation of karma and its results; and much more. His Holiness's illumination of key Buddhist ideas will support Western and contemporary Asian students in engaging with this rich tradition.
