

## 2017 Playful Pigs Wall Calendar

The book uses anthropological methods and insights to study the practice of anthropology. It calls for a paradigm shift, away from the publication treadmill, toward a more profile-raising paradigm that focuses on addressing a broad array of social concerns in meaningful ways.

Todd Parr's beloved Thanksgiving classic celebrating all of the things there are to be grateful for in a kid's life is now a board book! I am thankful for music because it makes me want to dance. I am thankful for my feet because they help me run and play. I am thankful for kisses because they make me feel loved. The perfect book to treasure and share around the holidays and throughout the year is now available as a board book! Todd Parr's bestselling books have celebrated Valentine's Day, Earth Day, and Halloween, teaching kids about unconditional love, respecting the earth, and facing fears, all with his signature blend of playfulness and sensitivity. The Thankful Book celebrates all the little things children can give thanks for. From everyday activities like reading and bathtime to big family meals together and special alone time between parent and child, Todd inspires readers to remember all of life's special moments.

Playful recipes for sweet party treats and family desserts, from the New York Times–bestselling authors! The New York Times–bestselling authors of Hello, Cupcake! and What's New, Cupcake? are back, applying their oversized imaginations not just to cupcakes but to cookies, pies, cakes, and other treats, with projects that are more hilarious, more spectacular, more awe-inspiring—and simpler than ever. No sweet treat is safe from their ingenuity: refrigerator cookies, pound cakes, pie dough, cheesecakes, bar cookies, and Jell-O are all transformed into amazing and playful desserts. There's something for everybody in this book, and every single item you need can be found in the neighborhood supermarket or convenience store. This enhanced ebook, with five stop-motion videos demonstrating recipes from the book and links that allow you to easily find exactly what you're looking for, is one of the best ways to experience this phenomenon. Playing with your food has never been so exciting—or so easy. Karen Tack and Alan Richardson have appeared on TV with Martha Stewart, Rachael Ray, and Paula Deen and have been featured many times on NBC's Today as well as in America's top magazines.

Offers humorous drawings comparing things before and after storms, meetings with elephants, and trips to the hairdresser

This book contains the proceedings of the 7th International Conference on the Assessment of Animal Welfare at the Farm and Group Level, held September 5-8, 2017 in Wageningen, the Netherlands.

Winner of the 2016 Pulitzer Prize for Fiction Winner of the 2016 Edgar Award for Best First Novel Winner of the 2016

Andrew Carnegie Medal for Excellence in Fiction “[A] remarkable debut novel”—Philip Caputo, *New York Times Book Review* (cover review) The winner of the Pulitzer Prize for Fiction, as well as seven other awards, *The Sympathizer* is one of the most acclaimed books of the twenty-first century. With the pace and suspense of a thriller and prose that has been compared to Graham Greene and Vladimir Nabokov, *The Sympathizer* is a sweeping epic of love and betrayal. The narrator, a communist double agent, is a “man of two minds,” a half-French, half-Vietnamese army captain who comes to America after the Fall of Saigon, and while building a new life with other Vietnamese refugees in Los Angeles is secretly reporting back to his communist superiors in Vietnam. *The Sympathizer* is a blistering exploration of identity and America, a gripping spy novel, and a powerful story of love and friendship.

Tim Ferriss, the #1 *New York Times* best-selling author of *The 4-Hour Workweek*, shares the ultimate choose-your-own-adventure book—a compilation of tools, tactics, and habits from 130+ of the world's top performers. From iconic entrepreneurs to elite athletes, from artists to billionaire investors, their short profiles can help you answer life's most challenging questions, achieve extraordinary results, and transform your life. From the author: In 2017, several of my close friends died in rapid succession. It was a very hard year, as it was for many people. It was also a stark reminder that time is our scarcest, non-renewable resource. With a renewed sense of urgency, I began asking myself many questions: Were my goals my own, or simply what I thought I should want? How much of life had I missed from underplanning or overplanning? How could I be kinder to myself? How could I better say “no” to the trivial many to better say “yes” to the critical few? How could I best reassess my priorities and my purpose in this world? To find answers, I reached out to the most impressive world-class performers in the world, ranging from wunderkinds in their 20s to icons in their 70s and 80s. No stone was left unturned. This book contains their answers—practical and tactical advice from mentors who have found solutions. Whether you want to 10x your results, get unstuck, or reinvent yourself, someone else has traveled a similar path and taken notes. This book, *Tribe of Mentors*, includes many of the people I grew up viewing as idols or demi-gods. Less than 10% have been on my podcast (*The Tim Ferriss Show*, more than 200 million downloads), making this a brand-new playbook of playbooks. No matter your challenge or opportunity, something in these pages can help. Among other things, you will learn: • More than 50 morning routines—both for the early riser and those who struggle to get out of bed. • How TED curator Chris Anderson realized that the best way to get things done is to let go. • The best purchases of \$100 or less (you'll never have to think about the right gift again). • How to overcome failure and bounce back towards success. • Why *Humans of New York* creator Brandon Stanton believes that the best art will always be the riskiest. • How to meditate and be more mindful (and not just for those that find it easy). • Why tennis champion Maria Sharapova believe that “losing makes you think in ways victories can't.” • How to truly achieve

work-life balance (and why most people tell you it isn't realistic). • How billionaire Facebook co-founder Dustin Moskovitz transformed the way he engages with difficult situations to reduce suffering. • Ways to thrive (and survive) the overwhelming amount of information you process every day. • How to achieve clarity on your purpose and assess your priorities. • And much more. This reference book, which I wrote for myself, has already changed my life. I certainly hope the same for you. I wish you luck as you forge your own path. All the best, Tim Ferriss

A hilarious rollercoaster ride of pure entertainment for 9+ readers everywhere, *Birthday Boy* is the new Baddiel Blockbuster: featuring David's inimitable and award-winning combination of wish-fulfilment, heart and hilarity, all brought to life by regular collaborator Jim Field's witty, stylish illustrations.

Shortlisted for the 2016 Man Booker Prize and chosen by David Sedaris as his recommended book for his Fall 2016 tour. So here we are. My name was Eileen Dunlop. Now you know me. I was twenty-four years old then, and had a job that paid fifty-seven dollars a week as a kind of secretary at a private juvenile correctional facility for teenage boys. I think of it now as what it really was for all intents and purposes—a prison for boys. I will call it Moorehead. Delvin Moorehead was a terrible landlord I had years later, and so to use his name for such a place feels appropriate. In a week, I would run away from home and never go back. This is the story of how I disappeared. The Christmas season offers little cheer for Eileen Dunlop, an unassuming yet disturbed young woman trapped between her role as her alcoholic father's caretaker in a home whose squalor is the talk of the neighborhood and a day job as a secretary at the boys' prison, filled with its own quotidian horrors. Consumed by resentment and self-loathing, Eileen tempers her dreary days with perverse fantasies and dreams of escaping to the big city. In the meantime, she fills her nights and weekends with shoplifting, stalking a buff prison guard named Randy, and cleaning up her increasingly deranged father's messes. When the bright, beautiful, and cheery Rebecca Saint John arrives on the scene as the new counselor at Moorehead, Eileen is enchanted and proves unable to resist what appears at first to be a miraculously budding friendship. In a Hitchcockian twist, her affection for Rebecca ultimately pulls her into complicity in a crime that surpasses her wildest imaginings. Played out against the snowy landscape of coastal New England in the days leading up to Christmas, young Eileen's story is told from the gimlet-eyed perspective of the now much older narrator. Creepy, mesmerizing, and sublimely funny, in the tradition of Shirley Jackson and early Vladimir Nabokov, this powerful debut novel entralls and shocks, and introduces one of the most original new voices in contemporary literature. Ottessa Moshfegh is also the author of *My Year of Rest and Relaxation*, *Homesick for Another World: Stories*, and *McGlue*.

Provides an explanation of phonics, a method of reading instruction that focuses on the relationship between sounds and their spellings, and features over one hundred activities for the classroom, as well as sample lessons, word lists, and

teaching strategies.

"A comical takeoff on the familiar Little Red Hen story, this upbeat read-along is brought vividly to life through Brian and Rosi Amador's tandem narration. ...Soft Latin background music is a lilting accompaniment." -Booklist

Who knew that cakes were so rude?! In this deliciously entertaining book, a not-so-sweet cake—who never says please or thank you or listens to its parents—gets its just desserts. Mixing hilarious text and pictures, Rowboat Watkins, a former Sendak fellow, has cooked up a laugh-out-loud story that can also be served up as a delectable discussion starter about manners or bullying, as it sweetly reminds us all that even the rudest cake can learn to change its ways. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Globe and Mail bestseller, *The Boat People* is an extraordinary novel about a group of refugees who survive a perilous ocean voyage only to face the threat of deportation amid accusations of terrorism. When a rusty cargo ship carrying Mahindan and five hundred fellow refugees from Sri Lanka's bloody civil war reaches Vancouver's shores, the young father thinks he and his six-year-old son can finally start a new life. Instead, the group is thrown into a detention processing center, with government officials and news headlines speculating that among the "boat people" are members of a separatist militant organization responsible for countless suicide attacks—and that these terrorists now pose a threat to Canada's national security. As the refugees become subject to heavy interrogation, Mahindan begins to fear that a desperate act taken in Sri Lanka to fund their escape may now jeopardize his and his son's chance for asylum. Told through the alternating perspectives of Mahindan; his lawyer, Priya, a second-generation Sri Lankan Canadian who reluctantly represents the refugees; and Grace, a third-generation Japanese Canadian adjudicator who must decide Mahindan's fate as evidence mounts against him, *The Boat People* is a spellbinding and timely novel that provokes a deeply compassionate lens through which to view the current refugee crisis.

This book is the crown gem of the Society of Children's Book Writers and Illustrators publications. It contains virtually all the information you will need about writing and illustrating for the children's book market. It will help you chart your creative work from inception all the way through the process of publishing and marketing. THE BOOK includes the latest market reports, articles on social media, discussions of emerging publishing options, and up-to-the-minute directories of everything from agents to book reviewers to relevant blog sites. Time-sensitive material contained in THE BOOK is updated regularly on our website, [scbwi.org](http://scbwi.org). The SCBWI staff takes great pride in presenting you with this invaluable tool that will optimize your career, whether you are already well published or a newcomer to the field. Use it as your primary reference and workbook. THE BOOK is available to current SCBWI members only. Make sure when you order your copy

that your name in the shipping address matches your member name so that we can confirm your membership. Members may only order one book at a time.

This book: Strategic Management of Technological Innovation, Sixth Edition is written for courses that may be called strategic management of technology and innovation, technology strategy, technology innovation, technology management, or for specialized new product development courses that focus on technology. The subject is approached as a strategic process, and as such, is organized to mirror the strategic management process used in most strategy textbooks, progressing from assessing the competitive dynamics of a situation, to strategy formulation, to strategy implementation. Highlights: 1. Complete Coverage for Both Business and Engineering Students 2. New Short Cases and New Indian Cases 3. Cases, Data, and Examples from around the World 4. More Comprehensive Coverage and Focus on Current Innovation Trends

A creative animal atlas--new, unexpected, educational Unique portraits of both familiar and less-known species as you've never seen them before Lots of fun for everyone interested in animals and anyone who wants to join the movement to help protect them

A chicken asks who the reader is while listing different types of animals and ruling each one out as the reader's identity. On board pages.

The Flaming Cow offers a rare insight into the brilliant but often fraught collaboration between Pink Floyd and composer Ron Geesin, the result of which became known as Atom Heart Mother – the Floyd's first UK number one album. From the time drummer Nick Mason visited Geesin's damp basement flat in Notting Hill, to the last game of golf between bassist Roger Waters and Geesin, this book is an unflinching account about how one of Pink Floyd's most celebrated compositions came to life. Alongside unpublished photographs from the Abbey Road recording sessions (the only ones taken) and the subsequent performances in London and Paris, Geesin goes on to describe how the title was chosen, why he was not credited on the record, how he left Hyde Park in tears, and why the group did not much like the work. The Flaming Cow rose again, firstly in France, then in London in 2008. After 40 years Atom Heart Mother remains a much-loved record, and The Flaming Cow explores its new-found cult status that has led to it being studied for the French Baccalauréat.

A beautifully illustrated and deeply personal chronicle of De Roy's lifelong connection with these spectacular islands Tui De Roy was a year old in 1955 when her family left Europe, boarding a banana boat bound for the Pacific to lead a different sort of life in Galápagos, one of self-sufficiency and living close to nature. She grew up on the islands and returned to them often over the next five decades. Discovering photography at a young age, she has dedicated her life to

recording the islands' natural history in infinite detail. *A Lifetime in Galápagos* is De Roy's intimate portrait of one of the most spectacular places on Earth, presenting the wildlife and natural wonders of Galápagos as you have never seen them before. Featuring hundreds of breathtaking color photos, this stunning book guides you into labyrinthine mangroves to observe nesting herons, to misty cloud forests to glimpse flycatchers and orchids, high onto erupting volcanoes, and into the ocean to swim with hammerhead sharks. De Roy's lens provides up-close encounters with orca and sperm whales, colonies of iguanas, and the giant tortoises of Alcedo Volcano. She paints unforgettable portraits of her childhood in Galápagos—the islands at night under the stars of the Milky Way, sea lions at play and on the hunt, the diverse birdlife of Galápagos, and much more. Blending striking images with vivid prose, *A Lifetime in Galápagos* also discusses the threats that global warming and other environmental challenges pose to the archipelago's unique wildlife and fragile habitats.

In this smart, playful, and provocative book, one of today's most original business thinkers argues that we underestimate the importance of romance in our lives and that we can find it in and through business—by designing products, services, and experiences that connect us with something greater than ourselves. Against the backdrop of eroding trust in capitalism, pervasive technology, big data, and the desire to quantify all of our behaviors, *The Business Romantic* makes a compelling case that we must meld the pursuit of success and achievement with romance if we want to create an economy that serves our entire selves. A rising star in data analytics who is in love with the intrinsic beauty of spreadsheets; the mastermind behind a brand built on absence; an Argentinian couple who revolutionize shoelaces; the founder of a foodie-oriented start-up that creates intimate conversation spaces; a performance artist who offers fake corporate seminars for real professionals—these are some of the innovators readers will meet in this witty, deeply personal, and rousing ramble through the world of Business Romanticism. *The Business Romantic* not only provides surprising insights into the emotional and social aspects of business but also presents “Rules of Enchantment” that will help both individuals and organizations construct more meaningful experiences for themselves and others. *The Business Romantic* offers a radically different view of the good life and outlines how to better meet one's own desires as well as those of customers, employees, and society. It encourages readers to expect more from companies, to give more of themselves, and to fall back in love with their work and their lives.

Mary Englebreit has assembled a collage of pleasant thoughts and gentle reminders to look on the bright side of life in her humorous pronouncement that *Life Is Just a Chair of Bowlies*.

From the bestselling authors of *Hello, Cupcake!* and *Cake My Day!* comes a collection of brand new, completely irresistible cupcake designs—all of which can be made in just 4 steps! Let Karen Tack and Alan Richardson show you how

to make the most inventive cupcakes—for any imaginable occasion—using easy, everyday ingredients (and tools) from your own pantry or grocery store. A celebration of friendship and food shares tips on the "art of the home" with readers, featuring recipes, tips on style and decorating, clothes advice, and much more. 100,000 first printing.

Previously Published as *A Field Guide to Lies* We're surrounded by fringe theories, fake news, and pseudo-facts. These lies are getting repeated. New York Times bestselling author Daniel Levitin shows how to disarm these socially devastating inventions and get the American mind back on track. Here are the fundamental lessons in critical thinking that we need to know and share now. Investigating numerical misinformation, Daniel Levitin shows how mishandled statistics and graphs can give a grossly distorted perspective and lead us to terrible decisions. Wordy arguments on the other hand can easily be persuasive as they drift away from the facts in an appealing yet misguided way. The steps we can take to better evaluate news, advertisements, and reports are clearly detailed. Ultimately, Levitin turns to what underlies our ability to determine if something is true or false: the scientific method. He grapples with the limits of what we can and cannot know. Case studies are offered to demonstrate the applications of logical thinking to quite varied settings, spanning courtroom testimony, medical decision making, magic, modern physics, and conspiracy theories. This urgently needed book enables us to avoid the extremes of passive gullibility and cynical rejection. As Levitin attests: Truth matters. A post-truth era is an era of willful irrationality, reversing all the great advances humankind has made. Euphemisms like "fringe theories," "extreme views," "alt truth," and even "fake news" can literally be dangerous. Let's call lies what they are and catch those making them in the act.

Could there be a cuter way to learn colors and numbers? Announcing a new line of board books featuring the irresistible Teacup Pigs of Pennywell Farm. Small enough to hold in the palm of your hand, the Pennywell pigs are an adorable lot. They're also naturals in front of the camera—especially the camera belonging to Richard Austin who, as their exclusive photographer, knows just how to capture their big personalities. The Pocket Piggies board books marry the inherent appeal of Teacup Pigs to the sweetness of the board book format. The photographs are full-color, full-page, and up-close. The subjects are classics: On each spread of *Pocket Piggies Colors!*, one of the beloved piggy models is paired with an object or animal of a different color like a little piggy holding a red guitar or checking out a yellow chick. Recommended by the medical profession worldwide, this revolutionary stand allows everyone to have hands-free reading anywhere and at any time, enabling perfect posture while working at a desk, cooking, studying or sitting up in bed. READEZY has ultimate stability and can sensibly fold flat into a neat and compact package. No more awkward positions, eyestrain, tired arms or neck and back pain.

The Ars Electronica has been accompanying and analyzing the digital revolution and its manifold implications since 1979, consistently focusing on processes and trends at the interface between art, technology, and society. A new collection of creative cupcake projects by the authors of *Hello, Cupcake!* provides for a variety of special occasions and holidays while featuring comical animal and accessory decorations crafted from edible ingredients. Original.

A charming, gorgeously illustrated botanical encyclopedia for your favorite romantic, local witch, bride-to-be, or green-thumbed friend. *Floriography* is a full-color guide to the historical uses and secret meanings behind an impressive array

of flowers and herbs. The book explores the coded significances associated with various blooms, from flowers for a lover to flowers for an enemy. The language of flowers was historically used as a means of secret communication. It soared in popularity during the 19th century, especially in Victorian England and the U.S., when proper etiquette discouraged open displays of emotion. Mysterious and playful, the language of flowers has roots in everything from the characteristics of the plant to its presence in folklore and history. Researched and illustrated by popular artist Jessica Roux, this book makes a stunning display piece, conversation-starter, or thoughtful gift.

Banksy, the Yes Men, Gandhi, Starhawk: the accumulated wisdom of decades of creative protest is now in the hands of the next generation of change-makers, thanks to Beautiful Trouble. Sophisticated enough for veteran activists, accessible enough for newbies, this compact pocket edition of the bestselling Beautiful Trouble is a book that's both handy and inexpensive. Showcasing the synergies between artistic imagination and shrewd political strategy, this generously illustrated volume can easily be slipped into your pocket as you head out to the streets. This is for everyone who longs for a more beautiful, more just, more livable world – and wants to know how to get there. Includes a new introduction by the editors. Contributors include: Celia Alario • Andy Bichlbaum • Nadine Bloch • L. M. Bogad • Mike Bonnano • Andrew Boyd • Kevin Buckland • Doyle Canning • Samantha Corbin • Stephen Duncombe • Simon Enoch • Janice Fine • Lisa Fithian • Arun Gupta • Sarah Jaffe • John Jordan • Stephen Lerner • Zack Malitz • Nancy L. Take a tour of the PJ Masks' top-secret headquarters—and help the heroes catch Romeo—in this sweet novelty board book based on the hit preschool series PJ Masks airing on Disney Junior! Every PJ Masks fan knows that headquarters is the cat's whiskers! Catboy, Gekko, and Owlette each have their own floor all to themselves, and they use the PJ Picture Player to stay one step ahead of the villains. But when Romeo breaks into headquarters and tries to claim it for himself, it's up to the PJ Masks to stop him! Young readers will love lifting flaps to search for Romeo, pulling tabs to move our heroes from one floor to another, and sliding windows open and shut to make Romeo and the PJ Masks teleport in and out of headquarters. PJ Masks © Frog Box / Entertainment One UK Limited / Walt Disney EMEA Productions Limited 2014
