Your Survival Guide to the Hades of Wall Street The Devil's Financial Dictionary skewers the plutocrats and bureaucrats who gave us exploding mortgages, freakish risks, and banks too big to fail. And it distills the complexities, absurdities, and pomposities of Wall Street into plain truths and aphorisms anyone can understand. An indispensable survival guide to the hostile wilderness of today's financial markets, The Devil's Financial Dictionary delivers practical insights with a scorpion's sting. It cuts through the fads and fakery of Wall Street and clears a safe path for investors between euphoria and despair. Staying out of financial purgatory has never been this fun.
