

Feng Shui

Explains the art of living in harmony with natural and man-made environments and discusses how arranging one's surroundings can enhance personal relationships, business success, health, and happiness. The wide-ranging and fascinating book by Feng Shui expert Denise Linn shows how to create environments of harmony, spiritual balance and great beauty. Part One explains how to develop your intuition to understand the deeper meaning of your home. This includes tips on dowsing, finding the hidden message of your surroundings, and how to deal with clutter. Part Two, the author presents little-known information on how to activate the dynamic forces of nature within your home in order to revitalize your physical and spiritual health. In Part Three, you gain an understanding of the ancient tradition of the Native American Medicine Wheel and teachings on the four cardinal directions, allowing you to bring energy and spirituality into your home—and into your life. Going much further than conventional works on Feng Shui, this unusual and practical book is a comprehensive look at both centuries-old techniques and the latest research. It shows how to create a domestic or professional environment where your soul is nurtured so that you can be 'at home' wherever you are - and at home with the universe.

In this informative and clearly illustrated guide to living in harmony with chi'i, the life-giving energy in and around us all, experts explain how to rebalance the flow of energy to bring health, happiness, and good fortune into your life. An introduction to the ancient guiding principles of traditional Chinese Feng Shui explains how the five elements combine in the home and workplace with step-by-step instructions. Using simple illustrations and instructions, learn how to visualize the "invisible architecture" in your surroundings, both indoors and outside. Determine whether the Feng Shui is "good" or "bad" and how to use a Pa Tzu compass to discover lucky and unlucky directions.

The author reveals how anyone can apply feng shui—the ancient Chinese practice of arranging objects to home and office design to achieve maximum harmony. Reprint.

The keys to manifesting major life transformation are within reach! In this fresh interpretation of the ancient art of Feng Shui, certified practitioner Ashley Cantley offers the simple and straightforward guide she wishes she'd had when she started learning about Feng Shui. Cantley's 11-step program demystifies foundational ideas and practices, with guided exercises for creating intention, tapping into intuition, cleaning and decluttering, and balancing and enhancing energy in your home. But this is no rule book! Cantley's process for eliminating blockages, realizing goals, and "living in the flow" is designed to be customized to anyone's desires, experiences, and style.

Can you really change your life by changing your artwork or moving your sofa? Feng Shui proves that not only is it possible and desirable but there are often unexpected bonuses too. Houses are not just a pile of inanimate bricks and mortar; they are living, breathing entities that can be used in helping us attract more of what we want in life and less of what we don't want. Based on solid educational foundations and over 20 years of experience, Davina Mackail's Feng Shui aims to demystify and debunk the myths of this ancient and popular practice and get to the core principles. Davina explains how our homes have a remarkable impact on our relationships, health, finances and career, and shares how we can make profound changes to all these aspects of our lives by making small, simple changes in our home. In this book, readers will learn how to: . Clear clutter . Organize space . Get rid of geopathic and techno stress . Buy or sell their home in a harmonious and successful way Feng Shui translates ancient wisdom into practical tools for a modern lifestyle.

Feng shui, the ancient Chinese art of placement, can transform your love life, financial situation, health, and overall happiness. With 10-Minute Feng Shui, learn how to reap these benefits with just a few simple changes to your home decor. This amazing art is easier than you think: Put a vase of yellow flowers in your kitchen to increase your wealth. Place a live plant in your bedroom to improve your love life. Tie nine small bells on a red cord and hang it from your front door to bring happiness into your home. Hang a mobile in a sick room to clear congestion and respiration problems. And more. In just ten minutes, revive stagnant energy and bring "ch'i" into you home. Feng shui has been used successfully for centuries, and the tips in this book are the best of what the art has to offer. They're simple, they're fun, and they work!

A comprehensive study of feng-shui discusses the theoretical and philosophical principles of the ancient Chinese art of harmonious design, the history of its practice, and ways to adapt one's environment to harmonize the patterns of the universe. 15,000 first printing.

Explains the principles and practice of feng shui and offers tips on room design for home and office to create harmony and contentment in life

The first edition, released in 1995, was lauded by seasoned practitioners and beginners alike. And no wonder. While most of the early English-language books on feng shui were dauntingly mystical or relied on complex calculations or culturally specific design practices, Feng Shui Made Easy took a more holistic approach, clearly explaining the fundamentals while guiding readers on an inner journey of understanding. Thoughtfully written and beautifully illustrated, the book is structured around an "architecture of consciousness" that is really the inner landscape. The book explores each "house" of the bagua—the chart representing one's journey through life; relationships with parents, loved ones, and community; creativity; spirituality; and connectedness to the source of life—and the symbolism of the corresponding I Ching trigram. Feng Shui Made Easy helps readers discover the nature of these connections, as well as learn what obstructions must be removed to change fixed patterns of behavior and restore balance, harmony, and inner peace—a process that, when combined with external adjustments, results in increased success and lasting change in all areas of life. This revised edition expands on the author's intuitive approach with new sections on health, children's environments, and ecological concerns and sustainable practices. The author also corrects misconceptions about feng shui and uses fascinating case studies to share valuable insights he gained from interactions with his clients and readers.

In our fast-paced, high-tech world, more and more people are finding themselves overwhelmed by "stuff." From old clothes and receipts to unused appliances and broken electronics, messes come in all shapes and sizes. Overcrowded closets, bursting bureaus, and desks of disarray affect our environment and stifle our physical, emotional, and spiritual well-being. The Everything Feng Shui Decluttering Book shows you how to organize your belongings, create space, and promote positive energy flow in your home or office using simple feng shui principles. From identifying clutter and letting go to creating all-new storage and work spaces, this practical guide shows how clearing our environment of junk can lead to greater productivity, prosperity, and wellness. Also includes useful tips for: Defining clutter and identifying its physical, emotional, and spiritual

effects Applying feng shui principles without sacrificing convenience Arranging spaces to enhance health, wealth, and relationships Eliminating clutter nightmares in the bedroom for a sound, restful sleep Conducting a clutter audit in the office so readers can get down to business Fun and easy to follow, The Everything Feng Shui Decluttering Book is a must-have for anyone seeking to create positive living and working spaces.

Benefit from the ancient Chinese art of Feng Shui Take a look around you. What do you see? Whether or not you're aware of it, your environment profoundly affects your health, wealth, family life, relationship, and yes, even your destiny. Feng Shui (pronounced fung shway), which means wind water, is the ancient Chinese study of harmony and energy flow between you and your physical surroundings. Now, Feng Shui For Dummies, 2nd Edition shows you how you can apply Feng Shui principles to your home (inside and out) and workplace (from window office to cubicle) in order to achieve a better life. Principles are explained in an easy-to-understand language Practical tips show you how to incorporate the traditions of Feng Shui to your everyday life Before-and-after illustrations and full-color photos of real-life Feng Shui makeovers in an all-new 8-page color insert Free of technical jargon and brimming with practical tips and advice, Feng Shui For Dummies shows you how to feel and access the energy of your environment and create harmony and happiness in your life. Feng Shui For Dummies (9781119643166) was previously published as Feng Shui For Dummies (9780470769324). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.

The ancient Chinese art of Feng-Shui, the basis of man's relationship with the land, has practitioners and followers throughout the Western world, from rural communities to big cities. Not just an Eastern practice any more, Feng-Shui can be found around the globe. Feng-Shui is an art that stresses the importance of living in harmony with nature. The Chinese believe that the earth has channels of energy known as 'dragon-lines', comparable with the meridians of the human body, and the buildings, towns and rooms should be designed and constructed so as not to obstruct these channels. According to the principles of Feng-Shui, living in harmony with the earth's field of energy will promote prosperity, peace and happiness. Living Earth Feng Shui is a fascinating book which outlines how Feng-Shui can be applied on a small or large scale, in the busiest cities or the smallest room. Author Stephen Skinner outlines its history and philosophy, clearly showing how it can be used to determine the site and arrangement of dwelling places in order to enhance the quality of life of the inhabitants. This is the perfect book for those new to Feng-Shui or someone who is interested in expanding their knowledge.

- The first book to explain how feng shui developed from the Taoist systems of astrology, yin and yang, and the five elements.
- Provides a background on Taoist philosophy to help readers better understand the principles of feng shui and how to use them properly.
- Helps readers improve home, business, garden, property, neighborhoods, and much more.

The Chinese art of feng shui has become extremely popular in the West, but too often advice on the subject consists of overly simplistic instructions for rearranging one's house without any explanation of the profound philosophical system behind these changes. The ancient Taoists developed feng shui from their understanding of the subtle interplay of energies that make up the universe, and no true mastery of feng shui is possible without a knowledge of Taoism. Taoist Feng Shui provides step-by-step guidelines for improving your home, business, garden, property, and neighborhood using this ancient system of knowledge. In Taoist Feng Shui, Susan Levitt traces the history of feng shui and shows how it is grounded in knowledge of yin and yang and the five Taoist elements of fire, earth, metal, water, and wood, as well as many other principles essential to Taoism. Once a background in Taoism is established, readers can better understand the philosophy behind concepts such as choosing the best colors for each room of the home, room-by-room furniture placement, yin and yang balance, correct lighting, outdoor landscaping, the function of hallways and entrances, and the proper use of mirrors, crystals, fountains, and other feng shui tools. With in-depth examples from the author's private feng shui practice, Taoist Feng Shui can help all readers transform their personal environments to create peace, harmony, health, wealth, and good fortune.
