

## Hamilton 2018 Day To Day Calendar

Offers a behind-the-scenes view of Hamilton the musical, detailing the many dramatic episodes in Alexander Hamilton's life.

"A treasure trove for financial and public policy geeks . . . will also help lay readers go beyond the hit musical in understanding Hamilton's lasting significance." —Publishers Weekly While serving as the first treasury secretary from 1789 to 1795, Alexander Hamilton engineered a financial revolution. He established the treasury debt market, the dollar, and a central bank, while strategically prompting private entrepreneurs to establish securities markets and stock exchanges and encouraging state governments to charter a number of commercial banks and other business corporations. Yet despite a recent surge of interest in Hamilton, US financial modernization has not been fully recognized as one of his greatest achievements. This book traces the development of Hamilton's financial thinking, policies, and actions through a selection of his writings. Financial historians and Hamilton experts Richard Sylla and David J. Cowen provide commentary that demonstrates the impact Hamilton had on the modern economic system, guiding readers through Hamilton's distinguished career. It showcases Hamilton's thoughts on the nation's founding, the need for a strong central government, problems such as a depreciating paper currency and weak public credit, and the architecture of the financial system. His great state papers on public credit, the national bank, the mint, and manufactures instructed reform of the nation's finances and jumpstarted economic growth. Hamilton practiced what he preached: he played a key role in the founding of three banks and a manufacturing corporation—and his deft political maneuvering and economic savvy saved the fledgling republic's economy during the country's first full-blown financial crisis in 1792. "A fascinating examination of Hamiltonian economics." —The Washington Times

Eleven international scholars analyse key works by Sir James MacMillan, and contextualise his unique musical-theological approach.

Happy New Almanac Year! It's time to celebrate the 230th edition of The Old Farmer's Almanac! Long recognized as North America's most-loved and best-selling annual, this handy yellow book fulfills every need and expectation as a calendar of the heavens, a time capsule of the year, an essential reference that reads like a magazine. Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac is consulted daily throughout the year by users from all walks of life. The 2022 edition contains the fun facts, predictions, and feature items that have made it a cultural icon: traditionally 80 percent-accurate weather forecasts; notable astronomical events and time-honored astrological dates; horticultural, culinary, fashion, and other trends; historical hallmarks; best fishing days; time- and money-saving garden advice; recipes for delicious dishes; facts on folklore, farmers, home remedies, and husbandry; amusements and contests; plus too much more to mention--all in the inimitable Almanac style that has charmed and educated readers since 1792.

This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. The purpose of this book is to shed light upon Hamilton's private life and career as a soldier, lawyer, and statesman by using a large number of original letters and documents, written by him and various members of his family as well as his contemporaries. Alexander Hamilton was an American statesman and one of the Founding Fathers of the United States. He was an influential interpreter and promoter of the U.S. Constitution, as well as the founder of the nation's financial system, the Federalist Party, the United States Coast Guard, and The New York Post newspaper. As the first Secretary of the Treasury, Hamilton was the main author of the economic policies of the George Washington administration. He took the lead in the funding of the states' debts by the Federal government, as well as the establishment of a national bank, a system of tariffs, and friendly trade relations with Britain. His vision included a strong central government led by a vigorous executive branch, a strong commercial economy,

with a national bank and support for manufacturing, plus a strong military.

*A Pocket Guide to Clinical Midwifery: The Efficient Midwife, Second Edition* is a must-have resource for midwives and women's health nurse practitioners. It features important concepts, diagnostic tools, algorithms, and management options, including conventional, lifestyle, and complementary therapies, all in one place.

America has gone Hamilton crazy. Lin-Manuel Miranda's Tony-winning musical has spawned sold-out performances, a triple platinum cast album, and a score so catchy that it is being used to teach U.S. history in classrooms across the country. But just how historically accurate is Hamilton? And how is the show itself making history? *Historians on Hamilton* brings together a collection of top scholars to explain the Hamilton phenomenon and explore what it might mean for our understanding of America's history. The contributors examine what the musical got right, what it got wrong, and why it matters. Does Hamilton's hip-hop take on the Founding Fathers misrepresent our nation's past, or does it offer a bold positive vision for our nation's future? Can a musical so unabashedly contemporary and deliberately anachronistic still communicate historical truths about American culture and politics? And is Hamilton as revolutionary as its creators and many commentators claim? Perfect for students, teachers, theatre fans, hip-hop heads, and history buffs alike, these short and lively essays examine why Hamilton became an Obama-era sensation and consider its continued relevance in the age of Trump. Whether you are a fan or a skeptic, you will come away from this collection with a new appreciation for the meaning and importance of the Hamilton phenomenon.

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the United States Federal Government.

From the New York Times bestselling author of *Irena's Children* comes a "vivid, compelling, and unputdownable new biography" (Christopher Andersen, #1 New York Times bestselling author) about the extraordinary life and times of Eliza Hamilton, the wife of founding father Alexander Hamilton, and a powerful, unsung hero in America's early days. Fans fell in love with Eliza Hamilton—Alexander Hamilton's devoted wife—in Lin-Manuel Miranda's phenomenal musical *Hamilton*. But they don't know her full story. A strong pioneer woman, a loving sister, a caring mother, and in her later years, a generous philanthropist, Eliza had many sides—and this fascinating biography brings her multi-faceted personality to vivid life. This "expertly told story" (Publishers Weekly) follows Eliza through her early years in New York, into the ups and downs of her married life with Alexander, beyond the aftermath of his tragic murder, and finally to her involvement in many projects that cemented her legacy as one of the unsung heroes of our nation's early days. This captivating account of the woman behind the famous man is perfect for fans of the works of Ron Chernow, Lisa McCubbin, and Nathaniel Philbrick.

"*London to Ladysmith via Pretoria*" is a personal record of Winston Churchill's impressions during the first five months of the Second Boer War. It includes an account of the Relief of Ladysmith, and also the story of Churchill's capture and dramatic escape from the Boers. "*Ian Hamilton's March*" is a description of Churchill's experiences accompanying the British army during the Second Boer War, continuing after the events described in *London to Ladysmith via Pretoria*. Churchill had officially resigned from the British army in order to pursue a political career, but on hearing of the outbreak of war in South Africa between the British colonies and the free Boer states, immediately made arrangements to take part.

After clinching his fifth world title in October 2018, Lewis Hamilton is now the joint second most successful driver of all time. He has accelerated into pole position, having long surpassed legends Damon Hill, Nigel Mansell and Jackie Stewart to become Britain's most successful Formula One driver. Hamilton's debut season in 2007 won him fans around the world, and his place in Formula One history was sealed the following year when he became the youngest-ever world champion. In the years since, he has created headlines on and off the track with his

rivalries with Nico Rosberg and Sebastian Vettel and relationships that have landed him on the front pages of the tabloids. However, despite the media glare, he has continued to prove his incredible talent and tenacity and remain utterly dominant in his sport. In this insightful biography, bestselling sports author Frank Worrall traces the slipstream of Hamilton's incredible career as the fastest driver on the planet. This is the ultimate story of the driver who has gone from being the rookie Sir Jackie Stewart said 'has rewritten the rule book' to a world champion five times over, becoming Britain's greatest ever driver and, arguably, the finest racer Formula One has ever seen.

This book presents Alexander Hamilton's views on American economy. As the first Secretary of the Treasury, Hamilton was the main author of the economic policies of the George Washington administration. He took the lead in the funding of the states' debts by the Federal government, as well as the establishment of a national bank, a system of tariffs, and friendly trade relations with Britain. His vision included a strong central government led by a vigorous executive branch, a strong commercial economy, with a national bank and support for manufacturing, plus a strong military. Contents: Writings and Speeches on Taxation and Finance Papers on National Bank Papers on Coinage and the Mint Papers on Industry and Commerce Writings and Speeches on Commercial Relations Biography of Alexander Hamilton by Emory Speer

Ohio Family Law features provisions relating to marriage and divorce, adoption, and child support, as well as related areas such as insurance, criminal law, employment, and taxation. Title 31 (Domestic Relations - Children) is included in full and is annotated with case notes and research references from Page's Ohio Revised Code Annotated. In addition, this edition contains:

A fascinating and entertaining biography of Alexander Hamilton, in graphic novel format. Alexander Hamilton: The Fighting Founding Father! tells the story of one of the most ambitious and controversial figures in American history in a graphic novel format. From a rough childhood on the Caribbean island of Nevis to the highest levels of American politics, Alexander Hamilton's life was filled with adventure, conflict, and controversy. Full-color illustrations and an entertaining narrative make this graphical biography of America's first Secretary of the Treasury accessible for readers of all ages.

Schaller, Robert W. Shumaker, Sigourney Weaver, Patricia Chapple Wright

The purpose of this book is to shed light upon Hamilton's private life and career as a soldier, lawyer, and statesman by using a large number of original letters and documents, written by him and various members of his family as well as his contemporaries. Alexander Hamilton was an American statesman and one of the Founding Fathers of the United States. He was an influential interpreter and promoter of the U.S. Constitution, as well as the founder of the nation's financial system, the Federalist Party, the United States Coast Guard, and The New York Post newspaper. As the first Secretary of the Treasury, Hamilton was the main author of the economic policies of the George Washington administration. His vision included a strong central government led by a vigorous executive branch, a strong commercial economy, with a national bank and support for manufacturing, plus a strong military. Drawing from historical journals and letters, New York Times bestselling author Laura

Elliot weaves a richly detailed tale about the extraordinary Peggy Schuyler and her revolutionary friendship with Alexander Hamilton. Perfect for fans of the smash Broadway musical sensation *Hamilton*! Peggy Schuyler has always felt like she's existed in the shadows of her beloved sisters: the fiery, intelligent Angelica and beautiful, sweet Eliza. But it's in the throes of a chaotic war that Peggy finds herself a central figure amid Loyalists and Patriots, spies and traitors, friends and family. When a flirtatious aide-de-camp, Alexander Hamilton, writes to Peggy asking for her help in wooing the earnest Eliza, Peggy finds herself unable to deny such an impassioned plea. A fast friendship forms between the two, but Alexander is caught in the same war as her father, and the danger to all their lives is real. Everything is a battlefield—from the frontlines to their carefully coded letters—but will Peggy's bravery's and intelligence be enough to keep them all safe?

Since its Broadway debut, *Hamilton: An American Musical* has infused itself into the American experience: who shapes it, who owns it, who can rap it best. Lawyers and legal scholars, recognizing the way the musical speaks to some of our most complicated constitutional issues, have embraced Alexander Hamilton as the trendiest historical face in American civics. *Hamilton and the Law* offers a revealing look into the legal community's response to the musical, which continues to resonate in a country still deeply divided about the reach of the law. A star-powered cast of legal minds—from two former U.S. solicitors general to leading commentators on culture and society—contribute brief and engaging magazine-style articles to this lively book. Intellectual property scholars share their thoughts on Hamilton's inventive use of other sources, while family law scholars explore domestic violence. Critical race experts consider how *Hamilton* furthers our understanding of law and race, while authorities on the Second Amendment discuss the language of the Constitution's most contested passage. Legal scholars moonlighting as musicians discuss how the musical lifts history and law out of dusty archives and onto the public stage. This collection of minds, inspired by the phenomenon of the musical and the Constitutional Convention of 1787, urges us to heed Lin-Manuel Miranda and the Founding Fathers and to create something new, daring, and different.

**NEW YORK TIMES BESTSELLER** • From the creator and star of *Hamilton* and *In the Heights*, with beautiful illustrations by Jonny Sun, comes a book of affirmations to inspire readers at the beginning and end of each day. "When the world is bringing you down, Gmorning, Gnight! will remind you that you are awesome."—Booklist Good morning. Do NOT get stuck in the comments section of life today. Make, do, create the things. Let others tussle it out. Vamos! Before he inspired the world with *Hamilton* and was catapulted to international fame, Lin-Manuel Miranda was inspiring his Twitter followers with words of encouragement at the beginning and end of each day. He wrote these original sayings, aphorisms, and poetry for himself as much as for others. But as Miranda's audience grew, these messages took on a life on their own. Now Miranda has gathered the best of his daily greetings into a beautiful collection illustrated by acclaimed artist (and fellow Twitter favorite) Jonny Sun. Full of comfort and motivation, *Gmorning, Gnight!* is a touchstone for anyone who needs a quick lift.

This collection of nonpartisan and thoroughly researched reports focuses on sixteen hot-button policy issues written by award-winning CQ Researcher journalists. Because it is an annual volume and comes together just months before publication, each report is as

current as possible. And because it is CQ Researcher, the policy reports are expertly researched and written, showing all sides of an issue. Chapters follow a set organization, exploring three issue questions, then offering background, the current situation, and a look ahead, as well as featuring a yes-no debate box. All issues include a chronology, bibliography, photos, charts, and figures.

A beautiful reference guide to the first 170 Latter-day Saints temples. This beautiful book provides a compelling view of Mormonism's accomplishments in building its temples. From historic temples to those still in operation to a preview of more to come, you'll find interesting facts and statistics on each structure, as well as stories and anecdotes about the construction. Perfect for sharing the grandeur with friends of other faiths or for teaching children about the temples, this book will become a cherished volume in any gospel library.

*The Atlantic Walrus: Multidisciplinary insights into human-animal interactions* addresses the key dimensions of long-term human walrus interactions across the Atlantic Arctic and subarctic regions, over the past millennia. This book brings together research from across the social and natural sciences to explore walrus biology, human culture, environmental conditions and their reciprocal effects. Together, 13 chapters of this book reconstruct the early evolution of walruses, walrus biology, the cultural significance and ecological impact of prehistoric and indigenous hunting practices, as well as the effects of commercial hunting and international trade. This book also examines historic and ongoing management strategies and, the importance of new research methodologies in revealing hitherto unknown details of the past, and concludes by discussing the future for Atlantic walruses in the face of climate change and increased human activities in the Arctic. This volume is an ideal resource for those who are seeking to understand an iconic Arctic species and its long and complex relationship with humans. This includes individuals and researchers with a personal or professional connection to walruses or the Arctic, as well as marine biologists, zoologists, conservationists, paleontologists, archaeologists, anthropologists, historians, indigenous communities, natural resource managers and government agencies. Provides succinct overviews of the biology of the Atlantic Walrus (*Odobenus rosmarus rosmarus*) as well as human cultures within the North Atlantic Arctic and the surrounding region by consolidating research which until now has been scattered across fields and academic publications Editorial team of interdisciplinary researchers ensuring the breadth, depth and integration of material covered throughout the volume Thirteen chapters, each authored by leading international researchers and experts on the Atlantic Walrus Considers the inter-relatedness and complexity of species biology, ecological change, human culture, and anthropogenic pressures onto the Atlantic Walrus, all while remaining accessible to readers from different disciplines or a more generalist audience Draws upon the latest methods in marine mammal and archaeological research Assesses historical management of the species, while also considering current and future conservation efforts in light of human activities and climate change Text supported by striking and insightful new maps and scientific illustrations, ideal for teaching and outreach

Rediscover the simple pleasures of a day trip with *Day Trips from Toronto*. This guide is packed with hundreds of exciting things for locals and vacationers to do, see, and discover most within a two- to three-hour drive of the Toronto metro area.

"An edge-of my seat immersion into historical events...No study of Alexander Hamilton

would be complete without reading this book." —Karen White, New York Times bestselling author "The best book of the year!" —Kate Quinn, New York Times bestselling author of *The Alice Network*, *Wife, Widow, and Warrior* in Alexander Hamilton's quest for a more perfect union From the New York Times bestselling authors of *America's First Daughter* comes the epic story of Eliza Schuyler Hamilton—a revolutionary woman who, like her new nation, struggled to define herself in the wake of war, betrayal, and tragedy. Perfect for fans of Ron Chernow's biography *Alexander Hamilton* and fans of Lin-Manuel Miranda's *Hamilton: the Musical*. In this haunting, moving, and beautifully written novel, Dray and Kamoie used thousands of letters and original sources to tell Eliza's story as it's never been told before—not just as the wronged wife at the center of a political sex scandal—but also as a founding mother who shaped an American legacy in her own right. A general's daughter... Coming of age on the perilous frontier of revolutionary New York, Elizabeth Schuyler champions the fight for independence. And when she meets Alexander Hamilton, Washington's penniless but passionate aide-de-camp, she's captivated by the young officer's charisma and brilliance. They fall in love, despite Hamilton's bastard birth and the uncertainties of war. A founding father's wife... But the union they create—in their marriage and the new nation—is far from perfect. From glittering inaugural balls to bloody street riots, the Hamiltons are at the center of it all—including the political treachery of America's first sex scandal, which forces Eliza to struggle through heartbreak and betrayal to find forgiveness. The last surviving light of the Revolution... When a duel destroys Eliza's hard-won peace, the grieving widow fights her husband's enemies to preserve Alexander's legacy. But long-buried secrets threaten everything Eliza believes about her marriage and her own legacy. Questioning her tireless devotion to the man and country that have broken her heart, she's left with one last battle—to understand the flawed man she married and imperfect union he could never have created without her... Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

Banks were allowed to enter securities markets and become universal banks during two periods in the past century - the 1920s and the late 1990s. Both times the ensuing unsustainable booms led to destructive busts - the Great Depression of the early 1930s and the Global Financial Crisis of 2007-09. Both times, universal banks made high-risk loans and packaged them into securities that were sold as safe investments to poorly-informed investors. Both times, governments were forced to arrange costly bailouts. Congress passed the Glass-Steagall Act of 1933 in response to the Great Depression. The Act broke up universal banks and established a decentralized financial system composed of three separate and independent sectors: banking, securities, and insurance. That system was stable and successful for over four decades until the big-bank lobby persuaded regulators to open loopholes in Glass-Steagall during the 1980s and convinced Congress to repeal it in 1999. In *Taming the Megabanks*, Arthur Wilmarth, Jr. argues that we must separate banks from securities markets again to avoid another devastating financial crisis and ensure that our financial system serves Main Street business firms and consumers instead of Wall Street bankers and speculators. Wilmarth's comprehensive and detailed analysis of the roles played by universal banks in the two worst financial catastrophes of the past century demonstrates that a new Glass-Steagall Act would make our financial system much

more stable and less likely to produce boom-and-bust cycles. And giant universal banks would no longer dominate our financial system or receive enormous subsidies. Congress did not adopt a new Glass-Steagall Act after the Global Financial Crisis. Instead, Congress passed the Dodd-Frank Act. Dodd-Frank's highly technical reforms tried to make banks safer but left the dangerous universal banking system in place. Universal banks continue to pose unacceptable risks to financial stability and economic and social welfare. They exert far too much influence over our political and regulatory systems because of their immense size and their undeniable "too-big-to-fail" status. Taming the Megabanks forcefully makes the case for a new Glass-Steagall Act to break up universal banks. A more decentralized and competitive system of independent banks and securities firms would not only provide better service to Main Street businesses and ordinary consumers but also bring stability to a volatile financial system.

A new generation of technological vaccines protect against many infectious diseases. This book describes synthetic peptide-based vaccine prototypes – the future of vaccination. Production of peptides becomes simple using automatic synthesizers. Peptides are weak immunogen and need adjuvants to provide an effective autoimmune response, which is why peptide antigens are conjugated with biopolymers and loaded with nanoparticles. The book illustrates the use of peptides vaccine systems and makes predictions of future development not only for infectious diseases, but also for cancers and brain diseases such as Alzheimer, Parkinson and psychiatric diseases. Key Features Summarizes current studies on technological vaccines Describes the uses of vaccines for the prevention of brain diseases Reviews the ways different polymers are used to enhance vaccine efficacy

"To an ever-increasing extent, the business of America is the business of war. But although Americans live in the shadow of a war economy, few understand the full extent of its power and influence. Thanks to Christian Sorenson's deeply researched book into the military-industrial complex that envelops our society, such ignorance can no longer be an excuse." - ANDREW COCKBURN, author of 'Kill Chain, The Rise of the High Tech Assassins.' "A devastating account of American militarism, brilliantly depicted, and exhaustively researched in an authoritative manner. Sorensen's book is urgent, fascinating reading..." RICHARD FALK "I'm adding Christian Sorensen's new book, Understanding the War Industry, to the list of books I think will convince you to help abolish war and militaries.." DAVID SWANSON World Without War "This meticulously researched book lays out in painstaking detail exactly how our nation has been captured by a war industry that profits from endless conflict and pursues profit at all costs. It will shock you, infuriate you, and hopefully inspire you." MEDEA BENJAMIN, co-director, CODE PINK The War Industry infests the American economy like a cancer, sapping its strength and distorting its creativity while devouring its treasure. Stunning in the depth of its research, Understanding the War Industry documents how the war industry commands the other two sides of the military-industrial-congressional triangle. It lays bare the multiple levers enabling the vast and proliferating war industry to wield undue influence, exploiting financial and legal structures, while co-opting Congress, academia and the media. Spiked with insights into how corporate boardrooms view the troops, overseas bases, and war zones, it assiduously delineates how corporations reap enormous profits by providing a myriad of goods and services devoted to making war,

which must be rationalized and used if the game is to go on: advanced weaponry, drones and nukes; invasive information technology; space-based weapons; and special operations—with contracts stuffed with ongoing and proliferating developmental, tertiary and maintenance products for all of it.

Discover Spiritual Truths from the Smash Broadway Hit Hamilton that Will Transform Your Life Hamilton?the hip-hop musical about a forgotten Founding Father?is the most compelling musical of our time. But if you watch it without understanding the spiritual themes of Alexander Hamilton’s life, you only get half the story. Discover how Hamilton is a modern-day parable that will: Lead you into a deeper experience of God’s grace Help you battle guilt and shame Challenge you to forgive Inspire your faith Engage you in the struggle for human equality God and Hamilton impressively weaves together insights from the musical itself, the lives of Alexander and Eliza Hamilton, and the story of Scripture into a tapestry that challenges people of faith to reexamine their lives. “God and Hamilton turned me inside out and revealed a side of Hamilton I had never thought to explore.”?LAUREN BOYD, HAMILTON BROADWAY CAST “A wonderful example of drawing from contemporary culture to understand how God works...I cannot recommend it more highly!”?MIKE BREEN “A bold and creative exploration of the themes in life that matter most. In this beautiful book, Kevin Cloud helps us see, listen, and open to the all-consuming love God pours out to us.”?PHILEEN HEUERTZ “For all who struggle with doubt, depression, and despair, God and Hamilton offers an inspiring way forward. Kevin Cloud’s book made my heart sing!” ?CRAIG DETWEILER ?“In this book Kevin portrays a wonderful example of how you can draw from contemporary culture to understand how God works with us on our own heroic journeys. I found his emphasis on God’s grace and faithfulness particularly inspiring and think that all who read it will come away with a better understanding of the challenges we all face. I cannot recommend it more highly!” (Mike Breen, Founder of 3DM, Author of Building a Discipling Culture, Covenant and Kingdom, and Family on Mission) “A bold and creative exploration of the themes in life that matter most. If we have the eyes to see and the ears to hear, we will notice God everywhere. In this beautiful book, Cloud helps us see, listen, and open to the all-consuming love God pours out to us.” (Phileena Heuertz, author of Pilgrimage of a Soul: Contemplative Spirituality for the Active Life and founding partner, Gravity, a Center for Contemplative Activism) “How did Alexander Hamilton overcome a tragic and shame-filled childhood? Kevin Cloud celebrates the amazing grace that propelled Hamilton to become a key architect of our fledgling democracy. For all who struggle with doubt, depression, and despair, God and Hamilton offers an inspiring way forward. Kevin Cloud’s book made my heart sing!” (Craig Detweiler, President, The Seattle School of Theology and Psychology) “C.S. Lewis once lamented that people too often fail to appreciate the real and serious glory of even the most dull and uninteresting human life; that if we could ever truly glimpse the beauty of a normal everyday person’s story we might actually be tempted to worship them. In God and Hamilton, Kevin Cloud offers precisely this kind of appreciative glimpse into the life of Alexander Hamilton. These pastoral reflections upon a life that was anything but dull and uninteresting are sure to inspire. Read this book and catch a new imagination for what it means to be human.” (Tim Suttle, pastor and author of Shrink: Faithful Ministry in a Church-Growth Culture) A Note from the Author: I will never forget the moment I saw Lin-Manuel Miranda’s Hamilton: An American Musical on Broadway. I walked out of the Richard Rogers Theatre that night knowing that I had seen a ground-breaking and brilliant Broadway musical. I also knew that Hamilton somehow become for me a deeply spiritual experience. I soon discovered that I was not the only one. I read so many reviews and watched so many interviews where people spoke of Hamilton as a life changing experience. Rosie O’Donnell even went so far as to call it “medicine that I need for my soul. It is vital to me; it feels like going to church.” In writing this book, I have come to see Hamilton as a story that will transform our lives. A story that teaches us about grace, shame, forgiveness, and

despair. A story that invites us into the struggle for equality and challenges us to partner with God in his ultimate goal of bringing redemption to His creation. I pray that this story, which intersects insights from the musical, the lives of Alexander and Eliza Hamilton, and the story of Scripture, might transform your life as well.

### Musicals/Movies/Kids Piano Solos

Despite the stock market crash of October 1929, thousands of theatregoers still flocked to the Great White Way throughout the country's darkest years. In keeping with the Depression and the events leading up to World War II, 1930s Broadway was distinguished by numerous political revues and musicals, including three by George Gershwin (*Strike Up the Band*, *Of Thee I Sing*, and *Let 'Em Eat Cake*). The decade also saw the last musicals by Gershwin, Jerome Kern, and Vincent Youmans; found Richard Rodgers and Lorenz Hart in full flower; and introduced both Kurt Weill and Harold Arlen's music to Broadway. In *The Complete Book of 1930s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway from 1930 through 1939. This book discusses the era's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. It includes such shows as *Anything Goes*, *As Thousands Cheer*, *Babes in Arms*, *The Boys from Syracuse*, *The Cradle Will Rock*, *The Green Pastures*, *Hellzapoppin*, *Hot Mikado*, *Porgy and Bess*, *Roberta*, and various editions of *Ziegfeld Follies*. Each entry contains the following information: Plot summary Cast members Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data, including information about tryouts Source material Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and list of published scripts, as well as lists of black-themed and Jewish-themed productions. This comprehensive book contains a wealth of information and provides a comprehensive view of each show. *The Complete Book of 1930s Broadway Musicals* will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

Lin-Manuel Miranda's groundbreaking musical *Hamilton* is as revolutionary as its subject, the poor kid from the Caribbean who fought the British, defended the Constitution, and helped to found the United States. Fusing hip-hop, pop, R&B, and the best traditions of theater, this once-a-generation show broadens the sound of Broadway, reveals the storytelling power of rap, and claims our country's origins for a diverse new generation. *HAMILTON: THE REVOLUTION* gives readers an unprecedented view of both revolutions, from the only two writers able to provide it. Miranda, along with Jeremy McCarter, a cultural critic and theater artist who was involved in the project from its earliest stages--"since before this was even a show," according to Miranda--traces its development from an improbable performance at the White House to its landmark opening night on Broadway six years later. In addition, Miranda has written more than 200 funny, revealing footnotes for his award-winning libretto, the full text of which is published here. Their account features photos by the renowned Frank Ockenfels and veteran Broadway photographer, Joan Marcus; exclusive looks at notebooks and emails; interviews with Questlove, Stephen Sondheim, leading political commentators, and more than 50 people involved with the production; and multiple appearances by President Obama himself. The book does more than tell the surprising story of how a Broadway musical became a national phenomenon: It demonstrates that America has always been renewed by the brash upstarts and brilliant outsiders, the men and women who don't throw away their shot.
