The New York Times—bestselling author of Rose Daughter reimagines the classic French fairy tale of Beauty and the Beast. I was the youngest of three daughters. Our literal-minded mother named us Grace, Hope, and Honour. . . . My father still likes to tell the story of how I acquired my odd nickname: I had come to him for further information when I first discovered that our names meant something besides you-come-here. He succeeded in explaining grace and hope, but he had some difficulty trying to make the concept of honour understandable to a five-year-old. . . . I said: 'Huh! I'd rather be Beauty.' . . . By the time it was evident that I was going to let the family down by being plain, I'd been called Beauty for over six years. . . . I wasn't really very fond of my given name, Honour, either . . . as if 'honourable' were the best that could be said of me. The sisters' wealthy father loses all his money when his merchant fleet is drowned in a storm, and the family moves to a village far away. Then the old merchant hears what proves to be a false report that one of his ships had made it safe to harbor at last, and on his sad, disappointed way home again he becomes lost deep in the forest and has a terrifying encounter with a fierce Beast, who walks like a man and lives in a castle. The merchant's life is forfeit, says the Beast, for trespass and the theft of a rose—but he will spare the old man's life if he sends one of his daughters: "Your daughter would take no harm from me, nor from anything that lives in my lands." When Beauty hears this story—for her father had picked the rose to bring to her—her sense of honor demands that she take up the Beast's offer, for "cannot a Beast be tamed?" This "splendid story" by the Newbery Medal—winning author of *The Hero and the Crown* has been named an ALA Notable Book and a Phoenix Award Honor Book (Publishers Weekly).

The Phoenix has Risen. Things are getting hot. The quint is aligned and as much as I hoped life would simplify once the five of us mated... it's a big 'Hells No' on that. Don't get me wrong, the guys are great, with me, with each other. Sexy sparks are flying in every direction and having a front-row seat is enough to ignite me into flames—even if I wasn't a mythical firebird. Now we need to get ahead of the chaos coming at us. Open the portal. Unite the realms. Everyone lives happily-ever-after. But not everyone is as on board as they pretend. Who do we trust? Who's working against us? As we get closer to our goal, the opposing forces level up their attempts to keep us from fulfilling our destiny. Is it the Council? The Black Knight? Someone in the upper levels of the Fae Concealment Office? Whoever it is, they must be stopped before someone I love gets killed. \* This is book four in a steamy reverse harem paranormal romance series. "We were a family of three girls. By Chinese standards, that wasn't lucky. In Chinatown, everyone knew our story. Outsiders jerked their chins, looked at us, shook their heads. We heard things." In this profoundly moving novel, Fae Myenne Ng takes readers into the hidden heart of San Francisco's Chinatown, to the world of one family's honor, their secrets, and the lost bones of a "paper father." Two generations of the Leong family live in an uneasy tension as they try to fathom the source of a brave young girl's sorrow. Oldest daughter Leila tells the story: of her sister Ona, who has ended her young, conflicted life by jumping from the roof of a Chinatown housing project; of her mother Mah, a seamstress in a garment shop run by a "Chinese Elvis"; of Leon, her father, a merchant seaman who ships out frequently; and the family's youngest, Nina, who has escaped to New York by working as a flight attendant. With Ona and Nina gone, it is up to Leila to lay the bones of the family's collective guilt to rest, and find some way to hope again. Fae Myenne Ng's luminous debut explores what it means to be a stranger in one's own family, a foreigner in one's own neighborhood--and whether it's possible to love a place that may never feel quite like home.

Every young woman dreams of marrying a king. Everyone except for me. Because the king I am to wed has razor sharp fangs and a thirst for blood... The Fair Isle Trilogy is a complete series collection, featuring three full length novels in a single volume: To Carve a Fae Heart, To Wear a Fae Crown, and To Spark a Fae War. All my life I knew I'd come of age during the Hundred Year Reaping. According to the ridiculous treaty, two human girls are sent to the faelands as brides for the fearsome fae king and his devilish younger brother. Not me. I was supposed to be safe. Two girls were chosen from my village already. But when they are executed for offending the king, my sister and I are sent in their place. What a mess. Then again, maybe it's not so bad. The younger brother I'm paired with doesn't seem as monstrous as I'd expected. He's delightfully handsome too. But nothing compares to the chilling, dangerous beauty of the fae king. And when my sister flees the castle and her terrifying husband-to-be, I'm left to marry him instead. If I go through with this, I might not survive my wedding night. If I don't, no one is safe, neither human nor fae. An ancient war will return, bringing devastation we haven't seen in a thousand years. Can I sacrifice myself for the good of my people? Or will a dangerous desire be the death of me first? If I don't lose my heart, the king will certainly lose his. I'll carve it out with an iron blade if I have to.
