This is a Pageburst digital book; this title includes two parts: Pageburst Retail Access Card AND Evolve Access Card. Prepare for success on the boards with Mosby's Comprehensive Review of Practical Nursing for the NCLEX-PN® Examination! Offering more than 4,000 NCLEX-PN exam-style practice questions, this effective review resource covers everything you will need to know come exam time. Chapters are organized by core clinical areas to help you focus on specialty areas such as pharmacology, nutrition and emergency nursing. This comprehensive resource also includes rationales for both correct and incorrect answers. Over 4,000 review questions provide you with extensive practice for the computerized licensure exam. Alternate item format questions prepare you for the interactive question types on the NCLEX exam. Test-taking strategies include helpful tips in preparing for the NCLEX-PN exam. Two comprehensive exams feature questions in all clinical areas giving you practice with an integrated exam, much like you will see on the NCLEX. Content organized by clinical area allows you to use the book as a study aid for all nursing exams throughout the curriculum. Rationales for both correct and incorrect answers explain the reasoning behind each answer option. Concise, student-friendly format summarizes essential nursing content in an easy-to-read outline format. The Evolve website provides practice questions broken down by specific content areas in both study and quiz/exam modes, giving you greater choices to customize your study sessions. NEW! More than 300 new questions bring the overall total to over 4,000 test questions. NEW! Updated content reflects the latest NCLEX-PN test plan. NEW! Critical Thinking Challenges provide case scenarios to equip you for real-life practice. NEW! Audio, video, and graphic option questions familiarize you with the new alternate item format question types on the NCLEX-PN exam.

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

Take notes for critical thinking and clinical reasoning in every course, class, and clinical. Focus on prioritization in every subject to include fundamentals, medical surgical, mental health, pediatrics, and even community health. Nursing students will be able to focus on the nursing process every step of the way while ensuring that they are very comfortable with QSEN (quality and safety) and NCLEX competencies and standards. www.nursethink.com

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.
