From Ashima Shiraishi, one of the world's youngest and most skilled climbers, comes a true story of strength and perseverance--in rock climbing and in life. To a rock climber, a boulder is called a "problem," and you solve it by climbing to the top. There are twists and turns, falls and scrapes, and obstacles that seem insurmountable until you learn to see the possibilities within them. And then there is the moment of triumph, when there's nothing above you but sky and nothing below but a goal achieved. Ashima Shiraishi draws on her experience as a world-class climber in this story that challenges readers to tackle the problems in their own lives and rise to greater heights than they would have ever thought possible.

THREE BOOKS IN ONE! With thrilling undersea adventures, treacherous climbs, and roaring river rapids, this book has it all. From classical to country, blues to rock, hip-hop to pop, crank up the volume and get ready to rock out with a comprehensive record of music through the ages. The high notes and biggest moments in music history are covered in this fun compendium. You'll learn about the world's most famous musicians through the eras, from Bach to the Beatles to Beyonce -- and beyond. Many major music genres are playfully explained, from tribal, classical, jazz, folk, rock ... all the way to today's modern forms, such as k-pop, hip-hop, and rap. Instruments and sounds are explored, along with places and events in history that inspired the evolution of music. Kids will also get a sense of music theory, instrumentation, and the artistry of distinctive musical styles. Song recommendations help readers open their ears to what they've learned.

Add to that amazing images, a rockin' glossary of musical terms, and a timeline that plots each genre on its path from ancient history to today, and this book is bound to top the charts!
