For twenty long years, Gigi Goldstein has been pining away for her best friend's guy. She knows it's wrong and it has to stop, but she hasn't been able to let go ever since they all met on the bus to summer camp back when they were seven years old. The same week that her best friends finally announce their wedding date, Gigi loses her high-profile design job. With all of her dreams unravelling, she runs to the last place she remembers being happy. Taking the Head Counselor position at Camp Chinooka, Gigi hopes to reclaim the joy she felt as a camper, but the job isn't all campfire songs and toasting marshmallows. Gigi's girls are determined to make her look bad in front of the boys' Head Counselor—the sexy but infuriating Perry—and every scrap of the campground is laced with memories. When Gigi finally realizes she can't escape the present by returning to her past, she's forced to reexamine her life and find the true meaning of love. But will she be able to mend fences and forgive herself before she loses her one real shot at happiness? If you love Sophie Kinsella

The mission at Fort Campbell has changed over the past seventy-five years, and the city has grown and adapted to meet new challenges. It was conceived before Pearl Harbor as the Tennessee-Kentucky Armor Camp and has progressed in recent years to meet changing national security needs and the transformation of the U.S. Army. The fort is home to the army's most elite air assault and airborne units. It is also the largest employer in Tennessee and Kentucky and puts \$2.6 billion into the local economy each year. Author and post historian John O'Brien details the historic ride that took Fort Campbell from a "Giant Bachelor City" to a "World-Class Army Home."
