The cinema of Nigeria is often referred to as Nollywood, a term coined in the mid-1990s to describe Nigeria's vibrant, film industry consisting of movies produced in the country but watched all over Africa and largely by Africans in the diaspora. This book presents a selection of photographic portraits by Iké Udé depicting some of the major Nigerian actors and actresses, television presenters, directors, and producers. With his ongoing photographic self-portraits, Nigerian-born Iké Udé explores a world of dualities: photographer/performance artist, artist/spectator, mainstream/marginal, African/postnationalist, individual/everyman, and fashion/art. As a Nigerian-born, New York-based artist conversant with the world of fashion and celebrity, Udé gives conceptual aspects of performance and representation a new vitality, melding his own theatrical selves and multiple personae with his art.

From the listless repose of the place, and the peculiar character of its inhabitants, who are descendants from the original Dutch settlers, this sequestered glen has long been known by name of Sleepy Hollow... A drowsy, dreamy influence seems to hang over the land, and to pervade the very atmosphere. Washington Irving An ode to the classic Spanish-style houses of Santa Barbara. Spanish Colonial Style celebrates an extraordinary tradition in architecture whose hallmarks include whitewashed stucco and plaster walls, wood-beamed ceilings, dramatic fireplaces, and, above all, mystery and romance. Homes in this much-loved style of architecture welcome the visitor and embrace the resident, and architects James Osborne Craig and Mary McLaughlin Craig, early proponents of the style

and influential disseminators of it, were masters of the form. Their work, until now, has been largely underappreciated and little seen. The Craigs played pivotal roles in the development of the Spanish Colonial Revival and of other styles of architecture in Santa Barbara, and the influence of their work spread much beyond that. In addition to shining a long overdue spotlight on the rich career of these tremendously influential architects, Spanish Colonial Style also heralds Santa Barbara as the small city of international importance that it became in the first half of the twentieth century.

“With their intellectual brilliance, humor and wonderful eye for detail, Leonard Bernstein’s letters blow all biographies out of the water.”—The Economist (2013 Book of the Year) Leonard Bernstein was a charismatic and versatile musician—a brilliant conductor who attained international superstar status, and a gifted composer of Broadway musicals (West Side Story), symphonies (Age of Anxiety), choral works (Chichester Psalms), film scores (On the Waterfront), and much more. Bernstein was also an enthusiastic letter writer, and this book is the first to present a wide-ranging selection of his correspondence. The letters have been selected for the insights they offer into the passions of his life—musical and personal—and the extravagant scope of his musical and extra-musical activities. Bernstein’s letters tell much about this complex man, his collaborators, his mentors, and others close to him. His galaxy of correspondents encompassed, among others, Aaron Copland, Stephen Sondheim, Jerome Robbins, Thornton Wilder, Boris Pasternak, Bette Davis, Adolph Green, Jacqueline Kennedy Onassis, and family members including his wife Felicia and his sister Shirley. The majority of these letters have never been published before. They have been carefully chosen to demonstrate the breadth of Bernstein’s musical interests, his constant struggle to find the time to compose, his turbulent and complex sexuality, his political activities, and his endless capacity for hard work. Beyond all this, these writings provide a glimpse of the man behind the legends: his humanity, warmth, volatility, intellectual brilliance, wonderful eye for descriptive detail, and humor. “The correspondence from and to the remarkable conductor is full of

pleasure and insights.”—The New York Times Book Review (Editors’ Choice) “Exhaustive, thrilling [and] indispensable.”—USA Today (starred review)
