bride, and as they form a tentative--and passionate--bond, a battle for the McCabe legacy commences.

Lachlan Maclean will do whatever it takes to protect his clan—even if it means abducting the most willful woman in the Highlands with the secret intention of wooing her for marriage. A born searing sensual leader possessing brute strength, and an imposing command, Lachlan is unprepared for the beautiful spitfire Flora MacLeod, who jeopardizes his plans to save his clan, and digs beneath his hard, chiseled exterior to expose a tenderness that may be his undoing. The greatest marriage prize in the Highlands, Flora is determined at all costs to avoid her mother's fate of being bartered away as a political pawn. Vowing to make her captor pay for his ruthlessness, she boldly engages him in a battle of wills, sweetening the challenge with dangerous passion—even as the lingering curse and deadly ghosts of a past tragedy reach out to thwart a tender love that has yet to be spoken.

After her father and brother disappeared, Lady Jane Lennox is managing Bellhaven Castle. Nonetheless, her aunt has invited six suitors to compete for the right to her hand — and to protect Bellhaven's towers of cool, pink-gray stone. Among the six is Nicholas Kincaid, the one-time object of Jane's affection. Two years ago, her brother banished Nicholas. A mere “sir,” in want of title or land, Nicholas was not marriage material. Now, Nicholas will have the chance to compete in challenges of wit and skill, rather than heraldry. But against noble swordsmen, dancers, and charmers, can he possibly win back her heart?The six highland lairds could not ride sooner to the snowy bailey walls, as strange things keep happening to the family: a faulty carriage wheel, a loose step, high in a stone tower. Accidents, no doubt. But by Christmastide, Lady Jane will secure Bellhaven and choose a new love.

build and how we live. With esteemed historian David Frye as our raconteur-guide in *Walls*, which Publishers Weekly praises as “informative, relevant, and thought-provoking,” we journey back to a time before barriers of brick and stone even existed—to an era in which nomadic tribes vied for scarce resources, and each man was bred to a life of struggle. Ultimately, those same men would create edifices of mud, brick, and stone, and with them effectively divide humanity: on one side were those the walls protected; on the other, those the walls kept out. The stars of this narrative are the walls themselves—rising up in places as ancient and exotic as Mesopotamia, Babylon, Greece, China, Rome, Mongolia, Afghanistan, the lower Mississippi, and even Central America. As we journey across time and place, we discover a hidden, thousand-mile-long wall in Asia's steppes; learn of bizarre Spartan rituals; watch Mongol chieftains lead their miles-long hordes; witness the epic siege of Constantinople; chill at the fate of French explorers; marvel at the folly of the Maginot Line; tense at the gathering crisis in Cold War Berlin; gape at Hollywood's gated royalty; and contemplate the wall mania of our own era. Hailed by Kirkus Reviews as “provocative, well-written, and—with walls rising everywhere on the planet—timely,” *Walls* gradually reveals the startling ways that barriers have affected our psyches. The questions this book summons are both intriguing and
