#1 NEW YORK TIMES BESTSELLER • Over two million copies sold! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade •** “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: *There She Is*. At first, Glennon

assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: *There She Is*. *Untamed* shows us how to be brave. As Glennon insists: *The braver we are, the luckier we get.*

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate

ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

What if the hottest guy in the world was hiding a nameless evil, and all he wanted was you? At the start of this heart-pounding new installment of the bestselling House of Night series, Zoey's friends have her back again and Stevie Rae and the red fledglings aren't Neferet's secrets any longer. But an unexpected danger has emerged. Neferet guards her powerful new consort, Kalona, and no one at the House of Night seems to understand the threat he poses. Kalona looks gorgeous, and he has the House of Night under his spell. A past life holds the key to breaking his rapidly spreading influence, but what if this past life shows Zoey secrets she doesn't want to hear and truths she can't face? On the run and holed up in Tulsa's Prohibition-era tunnels, Zoey and her gang must discover a way to deal with something that might bring them all down. Meanwhile, Zoey has a few other little problems. The red fledglings have cleaned up well – they've even managed to make the dark, creepy tunnels feel more like home – but are they really as friendly as they seem? On the boyfriend front, Zoey has a chance to make things right with super-hot ex-, Erik, but she can't stop thinking about Stark, the archer who died in her arms after one unforgettable night, and she is driven to try to save him from Neferet's sinister influence at all costs. Will anyone believe the power evil has to hide among us?

It seems that (un)life is going pretty well for Zoey Redbird. She's settled in at the House of Night finishing school and is coming to terms with the vast powers the vampyre goddess, Nyx, has given her. She even has a boyfriend ... or two. Best of all, Zoey finally feels she has found somewhere she belongs. Then the unthinkable happens. Human teenagers are being killed, and all the evidence points to the vampires at Zoey's school. While danger stalks the humans from Zoey's past life, she begins to realise that the very powers that made her so unique might also threaten those she loves. Then, when she needs her new friends the most, death strikes the House of Night. Zoey finds herself facing a betrayal that could break her heart and jeopardise the very fabric of her world. - Not suitable for younger readers -

Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Zoey doesn't have a clue how to help her, but she does know that anything she and Stevie Rae discover must be kept secret from everyone else at the House of Night, where trust has become a rare commodity. Speaking of rare: Zoey finds herself in the very unexpected and rare position of having three boyfriends. Mix a little bloodlust into the

equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth... Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Untamed: House of Night Series, Book 4." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same – and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

'I've got you. You're not alone.' I tried to sound calm and soothing, but I was breaking apart inside. Please don't take him! Please save him! my mind screamed. As if it's not enough to lose her friends and all three boyfriends, Zoey Redbird, the most powerful fledgling the Vampyre world has ever seen, knows that great trouble is coming to the House of Night. Despite her nightmares, Zoey finds herself distracted by the new kid Stark, brought to the House by Neferet, who clearly has something she wants from him. There's something between Stark and Zoey that she never imagined - but disaster is awaiting them all, and she doesn't know if she can fight the approaching evil alone any more... - Not suitable for younger readers -

From the bestselling author of *The God of Small Things* comes a scathing and passionate indictment of big government's disregard for the individual. In her Booker Prize-winning novel, *The God of Small Things*, Arundhati Roy turned a compassionate but unrelenting eye on one family in India. Now she lavishes the same acrobatic language and fierce humanity on the future of her beloved country. In this spirited polemic, Roy dares to take on two of the great illusions of India's progress: the massive dam projects that were supposed to haul this sprawling subcontinent into the modern age--but which instead have displaced untold millions--and the detonation of India's first nuclear bomb, with all its attendant Faustian bargains. Merging her inimitable voice with a great moral outrage and imaginative sweep, Roy peels away the mask of democracy and prosperity to show the true costs hidden beneath. For those who have been

mesmerized by her vision of India, here is a sketch, traced in fire, of its topsy-turvy society, where the lives of the many are sacrificed for the comforts of the few. From the Trade Paperback edition.
